Mainseed Christian University Welcomes Dr. Cheryl A. Hill to Advisory Board

Randallstown, MD April 28, 2025 — Mainseed Christian University (MCU) is pleased to announce the appointment of Dr. Cheryl A. Hill to its esteemed Advisory Board, effective May 1, 2025. Dr. Hill brings a wealth of experience and expertise, with an impressive background spanning ministry, government, humanitarian projects, diplomacy, consultancy, and teaching. As an accomplished author, strategist, and facilitator, her contributions are anticipated to strengthen MCU's commitment to leadership, faith-based education, and community impact.

Dr. John Ughulu, President of MCU, expressed his enthusiasm for Dr. Hill's addition to the Advisory Board, stating, "Dr. Hill's extensive professional background, leadership experience, and unwavering dedication to the Christian community make her an invaluable asset. We are confident that her insights and expertise will significantly contribute to our mission of fostering both academic excellence and spiritual growth."

MCU remains committed to providing high-quality, affordable education that seamlessly integrates faith and scholarship. As a private institution incorporated in Florida, MCU is legally authorized by the Florida State Board of Independent Colleges and Universities (SBICU) with a religious exemption authority to offer degree programs designed for religious vocations across various disciplines, including ministry, counseling, theology, education, administration, media communications, business, leadership, and social work.

Dr. Hill's appointment reinforces MCU's dedication to equipping students with confidence in their skills while strengthening their faith-based foundation, ensuring graduates emerge as leaders in their chosen fields.
