About us

Our Vision

As an international corporate service company, we are committed to delivering a range of services which bring demonstrable value to our clients and stakeholders.

We recognize the vital role our people play in delivering service excellence. Our unique combination of knowledge, experience, expertise, and a passion for what we do allows us to continue to exceed client expectations at every opportunity and, as such, we are resolute in our endeavors to attracting, motivating and retaining the very best talent.

We aim to be the 'Company of Choice' for existing and future employees, clients, business partners and investors.

Our Mission

As a dynamic, yet innovative corporate service provider, our mission is "To create and enhance clients' expectations by providing superior corporate services, in a cost-effective manner through dynamic leadership, good governance, innovation, advanced technology and an empowered and knowledgeable workforce."

Our Values

Our shared values penetrate the whole of our business and are the driving force behind our success. They define our vision of the future, our business strategies, and our corporate goals. They are representative of who we are and how we behave towards colleagues and clients. They impact our daily working life and set us apart from the competition.

Everything we do at IITBN is about choice. We offer our clients a range of innovative solutions and services to best suit their needs. We offer our employees the opportunities to develop their skills, take on new challenges and broaden their horizons through a range of initiatives and training programs.

As a company we direct our own destiny and lead where others follow.

Why Choose Us

01

Committed

We are 100% committed to delivering the best of ourselves for our company, our clients and our colleagues. We take pride in being someone upon whom others can depend.

02

Purpose Focused

We are 100% committed to being led and prayerful about our partnerships and projects. All that we do “must” impact the territories and partnerships in which we work.

03

Honest

We operate an open and honest policy with both our clients and colleagues, building strong relationships based on mutual trust, confidence, and respect.

04

Outstanding

We are passionate about what we do and driven to deliver solutions and services that our clients recognize as outstanding. We don't just meet expectations; we exceed them.

05

Innovative

We constantly evolve with the changing nature of our business and that of our clients, always looking for new and innovative ways to help them meet their goals.

06

Client-focused

We adopt a client-focused culture where our people, processes and solutions revolve around our clients' needs. Satisfying our clients is at the heart of everything we do.

International Consulting Group, Inc. has worked with many clients over the past 15 years in numerous different market sectors and geographic areas.

Our clients are domestic and international, profit and non-profit as well as smaller, forward-thinking organizations who aspire to succeed. We help startups, mature organizations and those going through re-invention who need advice and guidance specific to their situation.

Our partners that we work with are a consortium comprised of faith, business, non-profit/for profit, and grassroots leaders whose purpose is to assist in building the capacity of underprivileged countries by providing technical assistance, in-kind resources, educational seminars/conferences and financial assistance where applicable. Our clients span a variety of market sectors and missions, including corporate, community development, healthcare, agriculture, environmental issues, micro enterprise and business startup. Regardless of the client, our singular goal is the same - listen to their needs, craft the right solution, execute efficiently and exceptionally. IICG performs management consulting services for our clients focusing on strategic services, customer service, on-time delivery, and adherence to the highest ethical standards. We are very proud of the caliber of our partners globally. All of our collaborative partners are top experts in their field of influence.

We have partnerships with those at Ball State University, MIT, Harvard, Johns Hopkins, NASA, the State Department, the University of Maryland Systems, ITC firms, Energy investment resources the White House and many more platforms. We are especially proud of our partners in the housing, energy, agriculture, healthcare threat screen and humanitarian support sphere of influences.

Our core teams have worked for the Pentagon, the White House, Governor's Office of Maryland, Habitat for Humanity International, the Federal Bureau of Investigations, Corporate America, Ball State University, John's Hopkins and independently. This core team is our "think tank" and vetting team for all projects. Our organization is built on the principle that all business must be "holistically" discerned. To this we have the motto that we are an organization "beyond business". Integrity International Consulting Group, LLC is dedicated to improving the health, safety, educational, social, and economic status of all persons. We take pride in our staff and partner's knowledge, skills, and cultural competencies. Collectively we have over 75 years of experience and education to meet the needs of our clients.

Our Clients

Our extensive client portfolio demonstrates our strength and capabilities. Our client portfolio includes companies and international and local NGOs, government agencies, as well as a significant share of multinationals and private enterprises operating across national, regional, and international markets.
